Re: Marvella Metropolitan District – Map Filing

Dear Filing Administrator:

Colorado Revised Statute §32-1-306 requires special districts to provide a current, and accurate map of its boundaries to the Division of Local Government, County Assessor and Clerk and Recorder on or before January 1, of each year. In 2016, the District above had boundary adjustments, inclusions, or exclusions.

Please replace the map you currently have on file with the update map enclosed. Should you have further questions or need additional information, please contact the undersigned.

Sincerely,

Stephanie Net
